

REMARKS

Further to the previous Preliminary Amendment which was filed on August 4, 2004, the present application has been amended to correct inconsistent usage of the term "method name" in some parts of the application and the term "target method ID" in other parts of the application. The amended application now uses "target method ID" consistently. No new matter was introduced by these amendments.

Should it facilitate allowance of the application, the Examiner is invited to telephone the undersigned attorney. The Commissioner is hereby authorized to charge any additional payment that may be due or credit any overpayment to Davis Munck Deposit Account No. 50-0208.

Respectfully submitted,

DAVIS MUNCK, P.C.
